This survey is designed to gauge the interest in and the level of community engagement on campus. Community engagement is defined as an experience that gives students the opportunity to apply what they are learning in the classroom to the community in a way that promotes the public benefit. Please take less than 5 minutes to answer these questions and share your experience with ASUU on community engagement. At the end of the survey, you will have the opportunity to enter a drawing to win one of many prizes including University Apparel, a Backpack, and Skateboards. Your contact information will be saved separately from the survey information and cannot be used to identify your responses. Please take five minutes to complete the following survey.
