Dear Entering Freshman: The University of Utah is currently looking at expanding our Study Abroad opportunities through international coursework, internships and service programs. To do this, we need to learn from you, as an entering Freshman, about your experiences, interests and challenges regarding studying outside of the U.S. Please take a few minutes to complete this survey since your responses will be critical in helping us consider new initiatives for internationalizing the campus. Kari Ellingson Assistant Vice President for Student Development Co-chair, Study Abroad Enhancement Committee
