

Attended Orientation - Not Enrolled Fall 2011

Brief description of program: Orientation programs for all students preparing to enter the University of Utah in Fall 2011.

Who was asked to complete survey: All students who attended an orientation program for fall 2011, but did not enroll in fall classes.

Response Rate: 26% (91 of 356)

Administration Type: Mass mailing through Student Voice

Summary of Key Findings:

- 68 (74%) identified as transfer students
- 68 (74%) identified as in-state (resident) students
- 50 (54%) identified as female

Reasons for not attending the University of Utah for Fall 2011:

- 41 because they are attending another institution
- 53 because of financial reasons
- 40 because they plan to attend either Spring or Summer 2012
- 22 for personal reasons (family, health issues, etc.)

Actions Taken:

Suggestions/comments specific to offices on campus will be forwarded for their own use and review.

Which Student Affairs goals does this program / project align with?

Objectives 6 and 8
