

Attended Orientation – Not Enrolled Summary
Spring 2007

41 Respondents
39 Completed

Respondents ranked their reasons for not registering for classes in the 2007 spring semester as follows:

1. I plan to attend the 2007 summer or fall semester, rather than the spring semester.
2. I did not register because of financial reasons.
3. I could not register for the classes I wanted.
4. Other
5. I plan to attend school next year
6. I decided to attend another institution.
7. I did not register because of family or health issues.
8. I still have questions and need more information about how to register.
9. I could not register, because there were too many students at Orientation.

Open-ended responses included the following categories:

Decided to stay/attend another school.

Financial aid/Personal finances.

Classes not available at convenient time/Classes full.

Personal/Family issues.

Conflicting/Incorrect advice from University staff.

Issues around prerequisites.

87.80% of respondents chose No Response when asked if they would like to have someone from Orientation.
