

National Student Exchange Incoming/Outgoing

Brief description of program / project:

Assess experience of students who participated in the National Student Exchange program.

Who was asked to complete the survey:

Students who participated in the National Student Exchange program, including those who came to the University for their Exchange and those University of Utah students who Exchanged to another institution.

Respondents:

- National Student Exchange Incoming: **61**
- National Student Exchange Outgoing: **72**

Administration Type:

Department e-mail

Summary of Key Findings:

- Respondents reported enjoyable exchange experiences and a more holistic view of themselves and the country (and Canada)
- Respondents reported taking advantage of many opportunities while on Exchange, including academic, co-curricular, and social.
- The majority of respondents indicated that they felt well-prepared for their exchange.

Actions Taken:

- Altered information given to students, both those preparing to leave for Exchange, as well as those coming to the University of Utah for Exchange.
