

## **Orientation Survey FA 11**

### **Brief description of program:**

Orientation for transfer and first-year students, fall 2011.

### **Who was asked to complete survey:**

All students who attended these orientation programs (11 Transfer student only programs, 3 first-year and transfer student programs).

**Response Rate:** 96.8% (2059 of 2127)

**Administration Type:** link for website, iPod Touches

### **Summary of Key Findings:**

- 68% of respondents had not registered for classes when taking this survey.
  - Most common reason was that they had not met with an advisor yet (must be done before registering for classes).
- 49% of respondents met with an academic advisor prior to Orientation

### **Actions Taken:**

- Information, especially regarding academic advising, will be taken into account when planning future Orientation programs for Transfer students

### **Which Student Affairs goals does this program align with?**

Objectives 1, 3, and 5.
