

Parent Orientations (One Day, Overnight, and August 21 surveys)

Summary of Key Findings:

- Attendees would like to be able to attend more breakout sessions
- Would like breaks built into schedule
- Presentations available online (with contact information) after Orientation
- More time with student to discuss what they have heard throughout the day
- Paper for notes

Actions Taken:

- More rounds of breakout sessions with less options during each one
- Short breaks built into schedule
- Presentations and contact information will be posted online after Orientations are over
- Attempt to provide notepads for attendees
